

## MEDICAL OFFICE

*Lægekantoret*

Medical Office is, as the only facility in Denmark, appointed by the US Embassy to issue a medical examination in connection with a visa application to the United States.

### Practical

- You can expect 1-2 weeks of waiting time when you book the medical examination
- The medical examination should be done at least 11 working days before your interview at the US Embassy in Stockholm. When the medical is complete we will send it to Stockholm. You will also receive a copy of the vaccination card in your e-mail for you to save.
- The medical is valid 6 months from the date of medical examination.
- Individuals aged 15 years and over must have taken a blood sample for Syphilis and a urine test for Gonore, as well as X-ray examination of the lungs and heart.
- You must book an appointment for the X-ray examination yourself, which is also mandatory for all persons over the age of 15. Tell the X-ray Clinic that it is for immigration for US. You can be paid in cash or with Dankort at:  
[Frederiksstadens Røntgen og Ultralydsklinik](#)  
Store Kongensgade 90A  
1264 Copenhagen K  
Phone number: +45 33 13 43 26
- If you cannot speak / understand Danish or English, a professional translator is required at your own account. We can refer to the interpretation service at [www.tolkene.dk](http://www.tolkene.dk).

### Before the examination

- In order for us to have all documents ready for the examination, we will ask you for a copy of the page in your passport with photo, as well as your current address and future address in the U.S. You can also send a copy of your passport with photo, your current address and future address in the United States with the post to:  
Medical Office, PO Box 9036  
Amaliegade 33 D  
1256 Copenhagen K

**Before the medical examination please bring:**

- 3 passport photos front face - 5 cm high. The upper part of the chest should be visible
- Passport
- Glasses / contact lenses
- List of medicines if you take daily medication
- If you have a chronic disease, please bring documentation from your own doctor or from the specialist / hospital who treats you
- Written documentation for all previous vaccinations with dates and medical data attested. We suggest you wait with the vaccination till your medical examination. Your vaccination status will be reviewed and any missing vaccinations will be offered in connection with the medical examination
- An ESTA triggered visa application, please bring a copy of your possible conviction
